

Dear New Patient,

Welcome to our practice! We are pleased that you have chosen us as your dental care team. We want you to know that we are committed to providing you with the highest quality dental care in our friendly and caring environment.

Your first visit will include:

- Meeting our wonderful staff.
- Obtaining your complete dental history and evaluating your present dental condition.
- Any necessary x-rays.

Enclosed you will find a patient information and medical history form (blue form front and back), your appointment card, a Notice of Privacy Form (known as the HIPPA form), and our Smile Analysis. Please fill these out at your earliest convenience. Also if you have dental insurance remember to bring your insurance card with you to the first appointment.

We are "Creating Beautiful Smiles." Our goal is to make you smile and to keep that smile beautiful for years to come. We look forward to not only a long-term professional relationship but a lasting friendship as well.

We are here to serve you Monday through Thursday from 7:30 a.m. to 5:00 p.m. and every Friday from 7:30 a.m. to 12:00 p.m. If you have a dental emergency or if you have any questions, please feel free to call us at 344-5754.

We look forward to seeing you.
